

Top Achievers Club 2024

Participating Products

To be eligible as a winner, the Partner, whether Distributor or Reseller, must accumulate the highest number of miles for each unit sold of participating TAC 2024 products.

Each participating Microsoft and Intel product in this incentive has a certain number of miles to be awarded for each unit sold, reported through the Sell Out in HPE CSIS.

The only metric that will be considered valid to determine the winning Partners (Distributors and Resellers) will be the sales metric, with the highest number of accumulated miles.

Microsoft
